LETTER OF ENROLLMENT, VISA, AND "PERMESSO DI SOGGIORNO"

As soon as we receive your deposit (50% of the total) we will issue a letter of enrollment. The letter of enrollment should be used to obtain a Student Visa at your nearest Italian Consulate or Embassy. Visa requirements depend on student nationality and the period of study. The student is held responsible for obtaining the study visa. If a visa must be requested, a copy of all documents presented at the Consulate must be brought to Florence. Once in Florence, those documents will be utilized to request a "Permesso di Soggiorno" (permit of stay) from the Immigration Office. Some stays will only require a "Dichiarazione di Presenza" instead of the permesso di soggiorno. In this case, only a passport is necessary. AUF staff will assist with both requests upon arrival in Florence. Important! For questions relating to your immigration status, visa extensions and permit of stay renewals, please refer to your local Italian Embassy or Consulate. Tuition is due in full before the start date of your chosen program. For students enrolling in a 2 or 4 year program, balance is due before the end date of the first/third year of study.

LEARNING DISABILITIES

For students with certified learning disabilities please include documentation along with the application form.

AUF is committed to providing all students with a comfortable, productive and non-discriminatory academic environment. Assistance is offered to students who have certified learning disabilities and submit documentation to the Academic and Admissions Offices before arrival in Florence. Students should note that they may not have the same level of services and facilities available to them at their home institution. Notification or documentation of a learning or physical disability may not be submitted once the term has started. AUF will process the request and inform the student of accommodations if authorized.

INSURANCE

All students must be covered by international health insurance for the duration of their stay in Italy. Non - EU citizens will automatically receive GeoBlue health insurance, the most comprehensive study abroad insurance available. This makes excellent health care available to students while they are in Italy as well as a 24 hour assistance call center for emergencies or questions. For more information go to: <https://www.geo-blue.com>. Students are requested to inform the admissions office if they already have an international insurance policy.

EU citizens are responsible for ensuring that they have adequate health insurance coverage for the duration of their stay.

ACCOMMODATION

Please indicate your housing preference below

HOUSING INFORMATION

Apartment and homestay options are arranged for enrolled students. Please note that AUF housing is mandatory for the first academic year of study (two academic seasons). AUF does not own or lease apartments but works as a facilitator to assist students in finding accommodation only during their stay in Florence. AUF sole intention is to facilitate the students' study abroad experience. Students are not obliged to secure housing through AUF. Students choosing to secure housing independently must notify the AUF Registrar's Office upon enrollment.

The rental period begins on the program start date and ends one day after the last day of class. Check-in time is only from 9 am to 7 pm on check-in day. For any arrivals outside that time, you must contact AUF. Check-out time must be no later than 10am on check-out day.

Please fill in and sign your Housing Request Form (page 11) and send it to the AUF Registrar's Office by the application deadline. A 250 EUR security deposit authorization must be supplied on arrival in Florence. Students will be responsible for any damages to their apartment or its furnishings and will have all damage costs removed from their security deposit.

Please note: AUF will only assign housing to students who request housing within the designated deadline. Housing requests received after the application deadline will not be honored. In addition, AUF reserves the right not to accept requests that are received when no more apartments are available. In this case, students will be notified and instructed to select another housing option. In the case of no further availability, AUF will be available for further consultation. Apartments will be assigned according to availability. Depending on their request, students will be assigned to a single or shared bedroom in a furnished apartment that will be shared with other AUF students. Single rooms cannot be guaranteed and students who have been assigned one will be informed directly by AUF. If a student request cannot be honored due to space limitations, the student will be assigned according to availability. Students will not be able to choose their apartment or change roommates. All roommate requests must be mutual and specified on the housing request form. Students will not be allowed to check into their apartments before the check-in date or to check out of their apartments after check-out date. AUF makes every attempt at placing students according to any needs they might have. If you have a medical condition or disability that you would like to disclose, and which requires specific attention, please let us know either via email or on your housing application form.

Also included are refrigerators, ovens, stoves, basic cookware.
